### Identity Theft Protection Plans

Identity theft is the fastest growing crime in the U.S., with more than 13.1 million victims last year alone. Identity theft can impact anyone, anywhere, at any time - which is why it is important that you protect yourself.

Employees at Portsmouth Public Schools have two identity theft plan options to provide an additional level of control and security over and above the protection offered on our legal plan. Now you can monitor and control your personal information and have peace of mind in knowing that you're protected with fully-managed restoration and up to \$1 million of identity theft insurance in the event of an incident. You must also enroll or be enrolled in the legal plan to sign up for the BASIC Identity Theft Protection Plan. The Platinum Plan option is available as a stand-alone product.
